

VALUE YOUR VOTE!

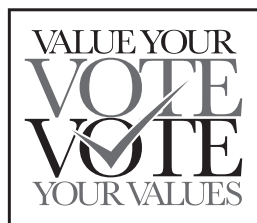

The 2000 presidential race in Oregon was determined by less than 7,000 votes. Over 70,000 adult Evangelical Christians in Oregon who were registered to vote, did not vote! Worse, another 100,000 were not registered to vote at all!

If we are to preserve the Judeo-Christian values upon which the nation was founded—and our institutions depend—the 120,000 adult Evangelicals in Oregon and the 19 million Evangelical Christians in America who DID NOT VOTE in the 2004 General Election must be mobilized to vote!

The Restore America "Value Your Vote, Vote Your Values" Campaign is a non-partisan effort to ensure the highest participation of America's Evangelical Christian Community in the nation's 2006 Elections.

Our goal is 6 million more Evangelical Christians voting in 2006!

By mobilizing thousands of evangelical churches nationwide to hold Voter Registration Sundays and encouraging every Christian to VOTE—beginning with the 2,500 evangelical churches here in Oregon—the political agendas that are destroying Oregon, and America, can be thwarted.

Please take time to review your Voter Guide, talk to your friends, and VOTE Your Values in the November 7th General Election.
