## "Saltless" In America

February 16, 2006

Have you noticed how uncivil and divisive the public discourse has become? How hatred and intolerance is undermining civility and debate about issues that are critical to our future? There is a reason for it, and it is correctible.

### **The "Salt" Has Become Tasteless**

When **Jesus** spoke of those who knew His Word and yet failed to live by it as having become 'tasteless', He immediately said, that we were **"good for nothing anymore, except to be thrown out and trampled under foot by men."**

### **Thrown Aside**

And that is what is happening in America. The Body of Christ, believing the secular and unbiblical lie that **"Religion and Politics don't mix,"** has become "too heavenly minded to be any earthly good." As a result, we, and the LORD Himself are seen by lost men and women as 'good for nothing' and worthy of being 'thrown out and trampled under foot.'

### **We Have Lost Our Savor**

The "world" has lost respect for Christians who seem more interested in carving out our own little 'peace and happiness' and being whisked away to heaven, than being concerned about what is to befall our neighbor at the hands of the ungodly, those who despise the 'eternal rules of order and right.'

We speak of national "revival" in terms of individuals coming to Christ but fail to recognize that our indifference to things 'political' is destroying our neighbor, our communities, state and nation, and our children's future.

### **We Have Narrowed Our Vision**

When Christians fail to see that our laws and public policy are filled with moral and ethical implications that either destroy or preserve what is eternally approved, and refuse to take corrective action, we fail to love our neighbor as ourselves.

### **Becoming Salt & Light Again**

And that is what the **Restoring Northwest America Conference** is all about; **Redeeming the Culture**. Becoming 'salt and light' again, as were our Founders, in civil government. **Attend the Conference**. This is our opportunity to become as the sons of Issachar, "men who understood the times and knew what Israel should do."
