

## SB 2: The Power of Perversion

March 23, 2007

**Two days ago** The Oregon State Senate, particularly democrats, along with 3 misguided and complicit republicans, made it clear they prefer to **ignore** common sense, the wisdom of several millennia, and the conscience of moral Oregonians **rather than deny** what a highly organized, vociferous, and immoral minority wants us all to accept, against our will. And all under the guise of a so called 'civil right' and assertions by this small and intolerant minority that they are being 'discriminated against.'

What is wrong with this picture? And what is really behind this wholesale **capitulation to immorality?**

### **"Professing to be wise, they became fools"**

**Today**, a federal district court judge in Pennsylvania struck down the Children's Online Protection Act (COPA) passed by Congress in 1998 to protect children from online pornography, preferring to protect pornographers rather than children from the unquestionably devastating affects.

**Yesterday**, In an Associated Press article, two Harvard seniors protested the "**mindless sex**" on campus that has gained momentum with the founding of a student-run pornographic magazine, saying "**the problem starts with the university.**" Sarah Kinsella and Justin Murray said, Harvard "places condoms in freshman dorms," hosts "racy lectures," and refuses to even "mention abstinence." *'Professing to be wise, they became fools.'*

### **"They exchanged the truth of God for a lie"**

The teaching or promotion of **purity** and **virtue** has fallen so far out of grace in America that even our university officials and elected leaders cannot find the moral courage to take a stand to preserve and defend it. They would rather 'go along' with rank promiscuity and immorality, in order to 'get along,' and avoid being labeled 'homophobic' by those who will tolerate nothing but total acceptance of their 'lifestyle.' They are more concerned with what a demanding and morally bankrupt minority wants than what is good for children and civilized society. In so doing, *'they exchanged the truth of God for a lie.'*

### **"God gave them over to a depraved mind since they did not see fit to acknowledge God any longer"**

Have we fallen so far that we prefer promiscuity and perverse behavior to the mental and emotional health, even physical welfare of our children? Apparently so. **Every**

**democrat in the Oregon State Senate voted for Senate Bill 2 (SB2), along with three republicans**, and they all say they are for 'protecting children'! *When we refuse to acknowledge God's authority, depravity is the next step.*

Granting special 'rights' to immoral behavior elevates that behavior to acceptance, and acceptance becomes approval, furthering the demise of morality, trust, marriage, fidelity, the family, the safety and well being of our children, and a functional social order.

**This bill can be stopped dead in its tracks in the Oregon House of Representatives over the next several weeks if God's people Pray ... and ACT!**

Please ... **Stand with me, and the 3400 others on our email list**, against this misguided, morally devastating bill, as it proceeds through the Oregon House of Representatives.

Click on the below link to the Restore America homepage. **Find your representative** and **email him/her** these three questions:

1. What is your position on the House Version of SB 2?
2. Do you believe this bill is in the best interest of children?
3. Do you believe that a behavior that is a proven danger to a persons health should be granted preferential treatment? Civil right status?

Do this **NOW**. Then set a time this week to **CALL** your representative in Salem and urge them, politely but firmly, to **VOTE against this bill**. Let them know you will take note of how they VOTE.

**Watch for our Updates, Commentaries, and Alerts.** We are mounting a serious and significant campaign against this bill but it will require ALL OF US, and our LORD's guidance and Providential help, to make it succeed.

Prayerfully  
David Crowe  
Executive Director
