

SB 2 & HB 3526: The Agenda Exposed

March 29, 2007

House Bill 3526, granting special rights and privileges to homosexuals, lesbians, bisexuals and transgenders, sponsored by democrat **Tina Kotek** of House District 44 in North Portland, has been assigned to the *Elections, Ethics, and Rules Committee*, chaired by liberal democrat **Diane Rosenbaum of Portland**.

They Can't Hide Their Agenda Any Longer

Clearly, the deck is stacked in favor of the passage of HB 3526. First, the **Governor** appoints a 'commission' in 2006 with members he knows will tout the merits of granting homosexuals everything they want; the bill is introduced in the Senate with a predetermined outcome, and then **Speaker Merkley** ignores what is best for all Oregonians, assigning the bill to a committee that is most likely to send it sailing to the House Floor with a 'do pass' recommendation ... **unless enough Oregonians protest!**

Who's Who In This Plan To Force This Bill on All Oregonians?

First there is **the Governor**, the behind the scenes orchestrator. I will write more about his politics in a later Commentary.

Second, there is **Ginny Burdick**, liberal democrat from downtown and the West Hills of **Portland**. The Chair of the Senate Judiciary Committee, Burdick called for the committee to vote immediately after the hearing at 9:30PM on March 21st, surprising everyone, saying it was 'out of her hands' and being driven from 'higher up.'

Third, there is **Jeff Merkley**, another liberal democrat, also from **Portland**, and Speaker of the House. He assigned the bill, now HB 3526, to the Rules Committee, not the Judiciary Committee where it belongs. Why?

Consider Who Is On The Rules Committee

This isn't about what's best for all Oregonians. *This is about what confused liberals in Portland, Ashland, Corvallis and Eugene want!* **Take a closer look** at the majority of the Committee members to which Speaker Merkley assigned the bill:

1. **Dave Hunt** – Liberal democrat and Majority Leader from **SE Portland**, Pro-Choice and professing Christian. If he claims to be a Christian and for taking the life of a child in the womb, guess which way he will vote on this bill.
2. **Diane Rosebaum** – Liberal democrat from **Portland**. Her district is just east of downtown Portland, across the Willamette River.

3. **Peter Buckley** – Ultra liberal democrat from **Ashland**, one of the most liberal cities in Oregon.
4. **Arnie Roblan** – Democrat. Part of his district is in **Lane County**. He is unlikely to oppose the power structure of his party *unless there is great pressure from people in his district*.
5. **Sal Esquivel** – Moderate, pro-choice Republican – A probable vote with the democrat hierarchy *unless he receives an avalanche of calls from Medford and Southern Oregon voters*.

And then there is the Sponsor of HB 3526

Representative **Tina Kotek**, the only sponsor on this bill, is a well known ultra liberal activist in North **Portland**.

Get the picture? Oregonians are being dictated to by morally confused, and easily deceived liberal representatives from **Portland**, with an agenda for all of us. **None** are from Central or Eastern Oregon.

They are determined to rearrange our thinking to their 'enlightened' and immoral mindset. And they will use the misleading assertion that this is all about 'discrimination,' a total smokescreen and deception in order to legalize and protect immoral behavior and usher in a much wider agenda for our children.

Please forward this email to your friends, family, and associates, as well as your pastor. Ask them to forward this email to their friends, and family, so more Oregonians will **know** how their legislature is **really** 'working' for them.

Ask them to click on the link below and **subscribe** to our Updates, Alerts, and Commentaries so they can join us in opposing this bill, and others akin to it in the Oregon legislature. We need a growing army of Oregonians whose voices ring in unison against bad bills and rotten politics.
